

PURDUE PATHMAKER

INTERNSHIPS

CAN HELP YOU STAND OUT

Students involved in Pathmaker gain real-world work experience in their chosen field, which is one of the college experiences that have been identified by the Gallup-Purdue Index as contributing to success later in life. Also, students can work near campus and gain part-time paid employment that often pays more than they would earn in fast-food or retail service jobs.

For more information, or to see employment postings, go to purdue.edu/pathmaker

“There is no
program at Purdue
that I’m more
excited about”

- Mitch Daniels

PATHMAKER
